Re: Explanation of Complaint System

This is in response to your request for a complaint packet.

When filing a complaint, be sure to explain your allegations thoroughly in written form and provide copies of any documents, letters, bills, etc. that support your complaint.

In order for the licensee to release any information regarding services provided to you by a health care practitioner the individual receiving the services must sign the enclosed release of confidential information form(s). The release form(s) must be returned with the complaint. If the form(s) are not returned or incomplete your complaint may be delayed.

The licensee will receive a copy of the complaint and release form(s) and will be instructed to respond to the complaint you have filed within thirty (30) days.

Upon receiving a response from the licensee, your complaint will be reviewed by the Investigative Unit to make sure all the requested paperwork is included in the complaint file. If additional information is required, you will be contacted. The licensing agency will then review the entire complaint and response.

You will be notified in writing of the results of this review. Please understand details relating to the investigation, such as the licensee's response, or statements made relating to the investigation and review process are confidential.

Please send the uniform complaint form, release of confidential information form(s), and all pertinent documents to the attention of Don Eggen, Chief Investigator, Division of Professional Registration, Post Office Box 1335, Jefferson City, MO 65102.
